

## 100 Men Who Care in South Dundas - 2019 Event

You are receiving this email because you signed up for our 2018 Event.

It is time to think about "**100 Men Who Care in South Dundas**" again. We have scheduled our next meeting at the **Morrisburg Legion on Wednesday 6th of November starting at 6:30pm.**

We thank you for being a part of our very successful 2018 event where 152 men raised \$15,200 for:

- Wheels of Hope (\$5,200) - Canadian Cancer Society program providing free transportation to cancer treatments;
- Seaway District High School (\$10,000) - Enhancements to Learning Commons Room - technology resources, reading materials, and collaborative working layout.

In 2018 you did not register as a **Permanent** Member. We are therefore contacting you in the hope that you wish to participate in this year's 2019 event. If you do, then please register on our [Join Us Page](#) (please consider registering as a Permanent Member so you will not be required to register again for next year's event).

If you **do not want to be a Member this year**, please use our [Contact Us Page](#) to send us a confirmation message..

Lastly, if you know of any local charities that need funding for their projects, be sure to have them visit our [Projects Page](#) of our website. Deadline for charities to apply is October 31st.

We are looking forward to see you all for another great evening on November 6th.

John Gleed

P.S. Do us a big favour by forwarding an invitation to 5 men who you think should join and attend. [Get them to take a look at our website](#). It would be great to hit the 200 attendees mark this year!
