

100 Men of South Dundas 2019 PROJECT APPLICATION FORM

Your name: Jim Wilson

Name of your charity, organization or project: Community Food Share

Contact Email and/or phone number:turnipmangle@gmail.com

Description of your proposed project: Summary (1 or 2 sentences):Community Food Share is requesting \$10,000 to assist us with the purchase of a van.

Longer Description:The generosity of individuals, organizations, companies and the municipal governments of North and South Dundas have enabled us to grow from a church basement food bank twenty-five years ago to a compassionate and energetic provider of healthy food to needy residents of our community today.

This growth requires us to acquire a range of expensive assets to support our food storage and distribution capabilities. Over the next few years, we will be re-capitalizing our refrigeration and transportation equipment. This will be our core fund-raising goal for the next three years.

Our request to 100 Men Who Care (South Dundas) – if successful – will help us to purchase a van that will expedite shipments of food between our hubs in Morrisburg and Winchester, and from them to our satellite locations in Finch and Crysler. The van will bear an insignia identifying 100 Men (South Dundas) as its primary sponsor.

The funding requested will be used to purchase a used van or – if a suitable opportunity presents itself – will be applied to the cost of a new vehicle.

I have been given the authority to submit this proposal on behalf on the organization.
