## PROJECT PROPOSAL 100 MEN WHO CARE SOUTH DUNDAS

**Name of organization:** Timothy Christian School

**Contact person:** Heidi Blokland, principal

**Contact information:** [heidi.blokland@tcswilliamsburg.ca](mailto:heidi.blokland@tcswilliamsburg.ca) or 613-535-2687

**Description of proposed project:** Our project is to build a sheltered outdoor space, such as a gazebo, that will be usable in many ways. It will be used as a place to play during recess, being large enough for multiple groups of students to use it without being cramped in. It will be used as a gathering area for outdoor classroom time. It will have bench seating in the corners, providing a place to sit and also a large open area. It is an important project for the school because there is no real shade in the school yard and we need a place for students to be out of the hot sun or slight rain.

This project was the vision of one of our parents, Dennis Wubs, who passed away last December, after living with cancer for 10 years. He was 31 years old when he died. He was husband of Jennifer and father of 3 children who attend Timothy Christian School. We wish to honour the legacy of Dennis Wubs by building this shelter.

**I have been given the authority to submit this proposal on behalf on the organization:** Yes

**This organization can give tax receipts for donations either directly or through another charity or municipality:** Yes

**Estimated cost of this project:** \$8,000

**Estimated date of completion if we receive the donation:** August 31, 2020.

**How will completion of this project directly benefit the residents of South Dundas?**

Each year 70 or more students are educated at Timothy Christian School. They grow in knowledge, as they learn math and science and music. They grow in faith, as they study the Bible and how much God loves them. And they grow as a community, as they learn to care for each other and the community around them. Building an outdoor shelter would benefit each and every student at Timothy Christian School, students that are members of the South Dundas County.

**What do you know about this organization that you wish everyone knew?** Timothy Christian School has been a part of the South Dundas community for over 50 years. The school does not receive any funding from the government. It relies completely on tuition payments from parents and donations from school supporters.

Timothy Christian School exist to give students a firm foundation in knowledge and faith, equipping them to impact their community. Our graduates have gone on to run businesses and have contributed positively to making South Dundas be a community that cares.

This is a picture of a gazebo that Dennis Wubs built for a client. It was the project that inspired him to think about building a shelter at Timothy Christian School. We hope to build shelter that is 16' x 16'

Here are a couple of pictures of our school yard. It is a place for lots of fun, but with very little shade.

**Thank you** for the work that you are doing. As you learn about projects and needs in the community your care and love for the area shines through. You are making a difference and we appreciate it!
